License/Certification Requirements for Personal Care Services Agencies

Effective Jan. 30, 2008, all Personal Care Services (PCS) Provider Type 30 (PT 30) agencies are now required to obtain a license from the Bureau of Licensure and Certification (BLC). All Intermediary Service Organization (ISO) PT 83 agencies are required to be certified by the Office of Disability Services (ODS). If you are providing services to Medicaid recipients under both the PT 30 and PT 83, your agency will need to meet both requirements.
